

WINCHESTER PHOTOGRAPHIC SOCIETY

Report on Panels Group for 2013 AGM

The Panels Group is now in its 6th year and continues to hold enthusiastic meetings every two months. We have had 6 meetings since the last AGM with over 40 members on the list and an average of 19 attending each meeting. We have a challenge topic for each meeting and this year we had Book Titles, In the Rain, Motion, Night Time, Grab a Fraction and Spring, with at least 12 people (16 in May) taking up the challenge each meeting.

The format of evenings begins with presentation of panels produced on a challenge topic or other new work, including pictures from those who are interested in having feedback for photographic distinctions. This year three members were successful in gaining distinctions.

Our Focus on Panels group presentation has now become part of the club's annual programme and 16 people presented their work on Tuesday 2nd November 2012. A programme was produced giving details of each photographer and the work they were showing.

We meet at Littleton Millennium Hall and the next meeting is on **Wednesday 10th July 2013** at 7.30 pm. The challenge is **My Favourite Things**. We will also begin planning our presentation to the Club which is in next season's programme for Tuesday 10th December 2013.

All members of the Society are welcome to attend. You do not *have* to participate in the challenges to come to the meetings but we do like you to bring along some new work.

My thanks to those who help in setting up the meetings and the organisation of the presentation evening and particularly to all those who come along for their continuing inspiration and enthusiasm.
