

## Winchester Photographic Society AGM Minutes May 2010

Through the past year the A.V. group has received various programmes from members of the Society some of which have been installed within the groups programmes to be ready, should we have a call to visit other Clubs.

During this period we have held on the 18<sup>th</sup>. November a workshop at Littleton where members were ask to bring various programmes so that a selection could be made for a competition that we were holding on the 12<sup>th</sup>.January between North Hants, Alton and us which I am please to say that we were the winners.

On the 12<sup>th</sup>.April the A.V. group were invited to give a show at the Stour and Avon A.V. group near Bournemouth showing some 19 sequence's

Very much in the minds of our group is the question of using MUSIC Our Society holds an licence as we are a member of IAC The Institute of AMATEUR CINEMATOGRAPHERS WHICH MEANS THAT THE SOCITY IS COVERED IN ONLY PRODUCTIONS MADE THEM. AND NOT BY INDIVIDUAL MEMBERS. THE COPYRIGHT LAW IS NOW SEVENTY YEARS AFTER DEATH. BUT THERE IS NO PROBLEM USING UNLICENCE MUSIC. SUCH AS IT IS.
