Centenary Lecture - Tue 17 Oct 2023

Matthew Williams-Ellis

Matthew is a London-based photographer and filmmaker specialising in wildlife and travel.

His work has received recognition in Wildlife Photographer of the Year and Travel Photographer of the Year.

His films such as the documentary "*Start Small. Start Now. Hong Kong's Plastic Story*" have been viewed millions of times after being displayed in Hong Kong's Times Square and on Cathay Pacific's inflight entertainment system.
