Centenary Lecture - Tue 14 May 2024

Bill Ward - "In Search Of..."

Multi-award winning photographer and actor Bill Ward gives a very personal insight into his unique photographic journey.

He'll discuss his background, and acting career, and then the photographs that he takes and why he takes them.

He'll cover the full range of his work, from his contemporary seascapes, landscapes and cityscapes to his distinctive "Creative Photography" projects - a genre in which he's been a leading practitioner for over a decade.

Expect plenty of unexpected twists and turns, and an awful lot of pictures.
